

## Pillow Chair

BD Barcelona

**Product Type**      Sofa Modular system

Muller Van Severen's Pillow sofa and chair series has undergone extensive re-engineering by the production specialists at BD Barcelona. Initially designed by MVS for KASSL Editions, the Pillow sofa has been improved with a robust technical frame suitable for public spaces while retaining its playful "pillowy" aesthetic. The independent pillows are crisp and richly hued, perfect for puzzling together to create a fusion of comfortable seating arrangements. Offered in a range of thoughtfully chosen fabrics most suitable for this series: cotton, leather, corduroy, canvas and velvet. Please reach out to our sales team for more information.
