

Pivot ATD7 Lamp &Tradition

Product Type Portable Lamp

At the heart of Pivot's design is an interplay between natural and manmade light. Positioned at a 45-degree angle to the base, the portable lamp's geometric shade creates a soft diffusion of light that emulates a warm glow akin to a modern-day candle. The result is a beautiful light that creates an inviting ambiance, transforming the mood of a milieu at the touch of a button.
