

## Rombe IF4, IF5 & IF6

&tradition

### Product Type Shelving

Designed to expand the functional potential of Rombe, the IF4 add-on bay seamlessly attaches to the core bays within the product family, allowing the system to grow and evolve with and around its surroundings.

The IF5 add-on bay seamlessly attaches to the core bays within the product family. With a well-proportioned desk, this bay transforms Rombe into a functional unit for work and study.

Expanding the functional potential of Rombe, the IF6 add-on bay seamlessly attaches to the core bays within the product family. With a subtle reference to mid-century innovations, the cabinet elegantly conceals objects of daily life.
