

Mist AP15 Pendant

&tradition

Product Type Pendant

Mist is inspired by the warm, diffused light of morning sunlight shining through the haze, offering a modern take on the classic globe light silhouette. Crafted from mouth-blown opal glass with white coated aluminium details and a textile cord, the Mist pendant appears to float when suspended, creating a visually striking ensemble when arranged in a cluster.

Dimensions

Ø 10,00" x H 5,00"
