

Cadre Chair

Resident

Product Type Dining Chair

The Cadre Chair pairs a soft, contoured seat with a geometric aluminium frame, in a study of balance and clarity. Offered in Brushed Aluminium or Dark Bronze, its linear back bar aligns cleanly with tabletops, whilst acting as a subtle handle.

The Cadre Chairs seat and backrest float within the frame, separated by a measured void that amplifies the chair's architectural presence. Hidden fixings maintain a resolved, uninterrupted profile. Designed for extended comfort and seamless integration, the Cadre Chair brings warmth and structure to any interior, understated and refined.
