

Multileg Cabinet

BD Barcelona

Product Type Cabinet

Jaime Hayon designed the Multileg collection in 2006, and it has cast a playful light on the BD catalogue ever since. Its new finish and colours stimulate feeling over unique and gestural legs. The Multileg collection is approachable and impressive, a perfect example of a Hayon. Its modularity couples with a simple design and a dozen leg options, accompanying a space with a creative flair and a selection of vibrant finishes. It's a contemporary classic.
