

Surface Sconce

Henry Wilson Studio

Product Type Table Lamp

The Surface Sconce is an ambient, sculptural light cast in two halves from solid gunmetal. Each casting is manufactured in small batches meaning slight variations will occur from piece to piece. Production marks may include slight pour ripples or surface pitting. It will arrive with a bright finish but will oxidize and darken over time to reveal a distinctive patina. Simply use a metal polish to restore a like-new finish.

Dimensions

W13.8" x D11.8" x H3.9"

W35cm x D30cm x H10cm

Light Source

E27 / E22 Bulb (not included), Max 460W

Weight

19.8 lbs / 9 kg
