

The Laddi Surface Mount - Globe

Roll & Hill

Product Type Sconce

La-di-dah a star is in focus - a bold use of polished unlacquered brass with a playful use of scale. Celestial in nature, this surface mount is the literal star of the show. A balance of materials and silhouette, reimagined overhead.

Dimensions

Ø 20,00" x D 5,00"

Ø 50,8cm x D 12,8cm
