

The Laddi Pendant - Star Canopy

Roll & Hill

Product Type Sconce

A star-shaped, unlacquered polished brass canopy suspends an Italian glass shade. Two distinct elements—timeless brass and luminous glass—come together in a pendant that gracefully bridges past and present, evoking both celestial forms and organic silhouettes. A balance of stars and mushrooms, reimagined overhead.

Dimensions

Ø 11,50" x H 47,00"

Ø 29,2cm x H 119,4cm
