

Solo Seat Granito

Muller Van Severen

Product Type

Lounge Chair

The 'solo seat granito' was created around the same time as the 'duo seat', back in 2012. The basic concept remains the same : creating a seat that consists of nothing more than a cloth and a steel frame. The cloth is made of a nude leather that ages beautifully over the years. The frame comes in two colors: fresh white or deep red. Both colors matching perfectly with the leather. Just like other Muller Van Severen furniture, it is the visual lightness that makes this seat so appealing. What lies behind the seat remains visible and continues to play a role in the aesthetics of the whole space.
