

Symmetry Armrest Chair

Frama

Product Type Armchair

An upright, composed chair, the Symmetry Armrest Chair offers supportive, purposeful, and simple seating for a dining, living, or office context. A reference to traditional Danish and Scandinavian furniture with its use of webbing, the chair expands on the Symmetry Series with use of material that echoes the rhythmic language of the series foundation. Both functional and tactile, the Symmetry Armrest Chair is grounded in tradition while remaining materially honest and visually light.
