

Frame Room Divider

Frama

Product Type Room Divider

The Frame Room Divider is designed to be a discrete and subtle way of separating any room. Whether you require some privacy, a place for guests to relax, or want to add a spatial element to your home, the Room Divider maintains the same experience as the room and allows for translucency. The free-standing pieces are composed of natural oak and canvas and are held together with strong magnets to form a simple aesthetic and for practicality in moving.
