

Quilt Ottoman

Established & Sons

Product Type Ottoman

The visual appearance of comfort is articulated through the unusual upholstery of the Quilt series. Designed by Ronan & Erwan Bouroullec, the outer layer contains pockets containing individual foam pieces in interlocking shapes. Like a quilt or rug, it is then placed loosely upon a fiberglass shell and steel frame. The Quilt is the antithesis to the formal, structured sofas and seating design we have become familiar with.

Dimensions

L23,6" x D31,5" x H11,8"

L60cm x D80cm x H30cm
